No Problem Meredith,

My little gift to you. Happy Festivus for the rest of us.... Yeah, I'm that old.

Thanks Shannon,

PG&E has been notified. Developer is having cash flow issues and needs a quick turnaround.

Thanks,

Hi Jason,

I should have the bandwidth to complete the resolution by mid-January. Looking forward to discussing this process with you.

Best,

Shannon

Shannon,

What's your workload look like in January? We need to get the resolution out in February which means we have to have it done probably mid-January. Assume it will take you 20 hours to complete.

Thanks,
