I forgot to include some preferred times. I am available any time after 2:30pm today or tomorrow between 10:30 and 1pm.

Thank you,

Erik,

Hopefully, you can help me as I understand that Meredith is out of the office for a couple of days. I'm reviewing PG&E's Final 2012 RPS Procurement Plan and I am having some difficulty following the revised LCBF methodology. To help me understand the methodology, I'd like to set up a quick call to walk me through the changes to the Energy Benefit and Congestion Cost portions of the valuation for forward contracts.

Thank you,

Cheryl
