Thanks, Erik.

And thanks for the heads up on the AL filings. I have briefed folks in the building – so they know they’re coming. I will be curious to see what kind of stakeholder input comes in on the filings.

Hi Adam,

You can reach Dave at 973-8778 and [DRLS@pge.com](mailto:DRLS@pge.com).

Good luck on that panel....

This Monday we will file our two advice letters on terminating the PV Program and shifting volumes to RAM. Let us know if you have questions/issues. Hopefully, it will go smoothly.

Regards,

Erik

Hi Erik,

I am on a panel next week with David Lewis from PG&E. We are both speaking at a conference in Sacramento on the implementation of the SB 1122 Bioenergy FIT carve-out.

I wanted to set-up a call with Dave for early next week, but realized that I don't have his email address. Could you provide it to me?

Thanks,

Adam
