Subject: RE: CPUC User Fee overpayments and underpayments

Erik...I just looked at my file and I can't believe it's been over a year since we first met on this issue. I'm out of the office for a couple of weeks, but I will try to move this forward in January....Happy holidays.....

Ed,

I just wanted to let you know that we are still in discussions with Joel Perlstein on the user fee issue. As a follow-up to the discussion we had with him, he asked us to send him a letter outlining our legal position, which is attached. We have told Joel that we are not interesting in litigating and that we believe this matter should be resolved through a settlement. I am hopeful that our letter is sufficient in addressing the legal issues and that it will enable us to proceed with our settlement talks in the near future.

Best Regards,

Erik
