December 14, 2012

Edward Randolph,
Director, Energy Division
California Public Utilities Commission
505 Van Ness Avenue, Room 4002
San Francisco, CA 94102

Dear Mr. Randolph:

In Ordering Paragraph 11 of Resolution E-3831, the California Public Utilities Commission ordered:

Within 90 days of today's date, PG&E, as well as SCE and SDG&E, should file Quarterly Reports on installed CG, per OP 18 of D.03-04-030, using the format to be developed by the Rule 21 Working Group. The utilities should develop a straw proposal format for discussion at the next Rule 21 Working Group meeting, but held not more than 30 days after the effective date of this resolution. Within 30 days after the Rule 21 Working Group review, the utilities should file the report in the agreed upon format with the Energy Division and the CEC.

In compliance with this provision, Pacific Gas and Electric Company hereby submits the third quarter report for 2012.

Sincerely,

A handwritten signature in black ink, appearing to read "Erik Jacobson".

Erik Jacobson
Sr. Director, Regulatory Relations

Enclosure
