Pursuant to Rule 1.4(a)(4) of the Commission's Rules of Practice and Procedure, the Coalition of California Utility Employees ("CUE") respectfully submits its motion to become a party to this proceeding. The OII was issued November 1, 2012.

CUE is a party to the proceedings that are being used to compile the official service list for this OII. CUE's interests in this proceeding correlate directly to the workforce affected by this proceeding, as a member union of CUE represents approximately 700 SCE employees at the SONGS units. CUE has been active in proceedings before the CPUC since 1994. The outcome of this proceeding directly impacts the member unions of CUE and thus we would like to offer comments and suggestions on the practices, operations, and services of the SONGS units 2 and 3.

CUE intends to participate in the proceeding by filing comments, preparing testimony, attending evidentiary hearings (if necessary) and filing briefs.
