**Re: Substitute Sheets for Advice 4161-E**

Dear Energy Division Tariff Unit:

An original and 4 copies of substitute sheets are attached for Advice 4161-E, "Pacific Gas and Electric Company's Request that the Renewable Auction Mechanism Program Accommodate the Remaining 252 megawatts of Pacific Gas and Electric Company's Photovoltaic Program".

In PG&E's Advice Letter for 4161-E filed on Monday December 10, 2012, PG&E inadvertently entered a typographical error in the Advice Letter number section of the CPUC Summary Sheet. The attached CPUC Summary Sheet includes the corrected number, 4161-E.

In accordance with GO 96-B, Section 7.5.1, the substitute sheets are being served in the same manner as the original advice letter. For administrative convenience, a new CPUC Summary Sheet has been attached in its entirety. Please discard previously submitted CPUC Summary Sheet.

Please telephone me at (415) 972-5472 should you have any questions regarding the substitute sheets.

/s/ Kimberly Chang
