A Message from CPUC Commissioner Timothy Alan Simon:

It is with deep regret and great optimism that I announce that my term as Commissioner at the California Public Utilities Commission and Chair of the National Association of Regulatory Utility Commissioners Gas Committee will end December 31, 2012.

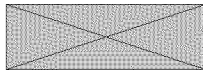

I want to thank all of those who have made this such a wonderful leg of my journey, especially my family, staff, and the many stakeholders of this process. Happy Holidays and may God continue to Bless all of you in your endeavors.

Below you will find my personal contact information.

Best,

Timothy Alan Simon
