Subject: PG&E GRC -- October workshop deck

Don,

Per my voicemail, here is the deck that PG&E presented to folks in October who were interested in hearing about our NOI.

Given the fact that many folks will likely be attending the January workshop that did not attend the October workshop, we are currently dusting this version off and refreshing it to make it current with the content of the Application. We are thinking about using a revised version at the January workshop, but before we got too far, we thought you might want to see this prior version in case you would like to give us any advice or direction concerning the upcoming workshop.

Please feel free to give me a call if you'd like to discuss.

With thanks,

Steve Frank
