Shilpa,

I don't think it will be ready tomorrow, but should be Friday. I'll keep you posted.

Subject: PSEP Final Model Run

Eugene,

We're getting a lot of questions internally about PSEP and we need the workpapers behind the final decision to answer them. I understand that you've just got to send us a CD of the final model run used for the decision.

Can you do that this week? One of the folks on my staff ([Redacted]) may have also asked you, but she just went on maternity leave yesterday.

We have a couple of folks going to the CPUC tomorrow. I can have someone pick it up.

Thanks.

Shilpa
