We are doing everything humanly possible to save the gnomes. I've been told they have been offered shelter on 17th Street. We will nail them there.

Dear Mr. Cherry,

I was disappointed this morning to learn of your company's campaign to rid Oakland of its recent gnome settlement. Please reconsider your oppression and aggression against them. They provide much needed irreverence and joy to a city more known for crime, violence and bad sports teams.

Regards,
