Subject: Staff Interim Report on Energy Storage Rulemaking R10-12-007 PDF

Hello,

Please find attached a PDF of the Energy Division Staff Interim report on Energy Storage, in the Rulemaking R.10-12-007.

The Report, and seven (7) Energy Storage Use Cases described in the report, will also be available on the CPUC web page devoted to electric energy storage:

<http://www.cpuc.ca.gov/PUC/energy/electric/storage.htm>

This report and the Use Cases are open to comment by Parties to the proceeding, as per the October 1, 2012, Phase 2 Scoping Memo.

Because of the delay in issuing the report, Energy Division has requested an ALJ ruling to extend the dates for comment/replies that were specified in the Scoping Memo,

and to allow for Parties to include any comments on the upcoming Staff workshop on procurement options that will be held on January 14, in the CPUC auditorium

(please see Daily Calendar for the official notice—an agenda will be distributed next week).

We are awaiting disposition of that request.

If you have any questions, please contact:
