Office space is a crack up. I am still in the hallway in my ALJ office, awaiting the end of the music in the game of musical chairs. It's like children fighting over toys. Complete with stealing pieces of furniture when no one is looking. Seriously.

Hope you're feeling better today.

J.

Yeah, I replied to that yesterday. Did you not get it? Rosa is a welcome resident at the new place. We think she'll be the belle of the ball!

Ugh, on the DMV stuff.

Hope to see you Friday.

Well they SAY I went through a red light, but it was yellow, on Market at Hyde -- long intersection -- and then that led to all sorts of questions about my residency ... Trip to the dmv, trip to hall of justice, and at least \$700 later, I am well on my way to being legally registered and titled and all that.

And I just answered 10 of 10 correctly!! Ill tell you about the car registration story.

And where is Rosa? Can she be in the home with pam's mom?

LOL (at traffic school, not being sick). What did you do?

Hope you both feel better.
