Subject: Re: GHG OIR for Gas Compressor Stations

I'm meeting with Michael and my supervisor this morning as management has questions about the application. If I need any further information from PG&E, I'll let you know.

Subject: GHG OIR for Gas Compressor Stations

Judge Mason

As you would expect, I'm inquiring about the status of the PD on this issue. From our last communication we had hoped it would be on the 1/24 agenda but I don't see it there. Not getting approval in January makes this a bigger problem for us.

Any information you can share will be appreciated.

Thanks

Laura
