

PUBLIC UTILITIES COMMISSION

505 VAN NESS AVENUE
SAN FRANCISCO, CA 94102-3298

January 18, 2013

To: All parties in Draft Resolution L-436:

This notice is to inform you that the Commission's Legal Division has recommended a one meeting hold on the above agenda item, currently scheduled for the January 24, 2013 Commission meeting. The agenda item may be considered at the February 13, 2013 Commission meeting.

The Legal Division has made this recommendation to allow sufficient time to take the following steps to address concerns raised in parties' comments, namely:

- (1) to narrow the current draft resolution to address only (a) the release of Commission-prepared reports and correspondence relating to Commission safety and reliability audits, inspections, and infrastructure incident investigations; correspondence responsive to such Commission-prepared reports and correspondence; mobile home park natural gas system and propane operator annual safety reports and Commission inspection records; and annual reports filed by gas operators with the United States Department of Transportation Pipeline and Hazardous Materials Safety Administration; and (b) workshops exploring the nature and treatment of safety-related records utilities and other regulated entities provide to the Commission; and
- (2) to defer to a separate Commission rulemaking the remainder of the issues addressed in the current draft resolution.

Please direct all questions to:

Fred Harris - (415) 703-1557
