Thanks.

Sure, you can give her a heads up if you'd like. I was going to call her about PG&E's plans for their upcoming filing on categorical eligibility (which programs they are thinking of including). I also was going to see if her team would be interested/willing to talk with us prior to their filing. She the right person, yah?

You home sick again today? I tried your work line and got no joy.

Hahahahaha! Excellent. She's 3-1018. Why you gonna call? Can I tell her?

Do I seem terse? Blame the thumb keyboard.

Dude, you've gotta get to a TeeVee tomorrow afternoon and tune in! It's gonna be awesome. I hope he brings Floyd out from the green room as a surprise guest ... only to be followed by

Betsy Andreu! Off the hook, yo!

In other more mundane news, could you look up Jan Berman's number for me? Thanks!
