Jason,

10 on Friday works for all of us. I will send an invite tomorrow with a conference call number.

Thanks for the flexibility on the timing.

Hi Meredith, Laura and Tanya,

Do you know who among PG&E/SCE/SDG&E is coordinating the development of the GHG allowance allocation joint implementation report that D.12-12-033 required the IOUs to file by February 3, 2013?

Energy Division would like to set up a conference call (this Friday afternoon, if possible) to discuss the progress the IOUs are making towards filing this report. We would also benefit from a brief presentation and discussion of the proposed outline of the content that the IOUs expect to include in the report. I know this report is a heavy lift for your teams, and I hope its development is going well thus far.

Please let me know if someone from your team might be available Friday afternoon.
