STATEMENT OF QUALIFICATIONS OF BRIAN DAUBIN**

Q 1 Please state your name and business address.

A 1 My name is Brian Daubin, and my business address is Pacific Gas and Electric Company, 6121 Bollinger Canyon Road, San Ramon, California.

Q 2 Briefly describe your responsibilities at Pacific Gas and Electric Company (PG&E).

A 2 I am Director of Production Maps and Records, responsible for the Gas Mapping groups for both the Gas Transmission and the Gas Distribution systems.

Q 3 Please summarize your educational and professional background.

A 3 I received a Bachelor of Science degree in mechanical engineering from California State University, Sacramento and am a certified Bentley MicroStation CAD (computer assisted design) operator with more than 15 years of professional CAD experience. I have worked for PG&E for 11 years, holding positions in various areas of gas transmission engineering and operations, including Drafting Supervisor, District Superintendent for the McDonald Island natural gas storage field, and Director over the Continuous Improvement Initiatives group. I have also been an active member of the Operations Safety Regulatory Action Committee of the American Gas Association, up until this past year. Prior to my time at PG&E, I worked within the telecommunications sector for Pacific Bell and Telcobuy.com. I held positions of Detail Engineer, Engineering Manager, and Regional Operations Director. From 1997-2000, I held the position of Assembly Engineer for Toyota Motor Corporation.

Q 4 What is the purpose of your testimony?

A 4 I am participating in the panel discussion on the geographical information system (GIS).

Q 5 Does this conclude your statement of qualifications?

A 5 Yes, it does.
