Re: Granting the Joint Utilities' request (via letter of January 18, 2013) for a 30-day extension of a Tier 3 advice filing pursuant to Decision (D.) 12-12-031 in Application 11-07-008

Dear Mr. Jacobson:

This letter, pursuant to Rule 16.6 of the California Public Utilities Commission's Rules of Practice and Procedure, grants the request of Pacific Gas and Electric Company, Southern California Edison Company, and San Diego Gas & Electric Company (collectively, "Joint Utilities") for a 30-day extension of the 90-day period in Ordering Paragraph 9 of D.12-12-031 regarding filing a Tier 3 advice letter for approval of a Cooperative Research and Development Agreement, along with the proposed implementation plan and first-year projects.

As a result of this letter granting additional time to comply, the Tier 3 advice letter containing the Cooperative Research and Development Agreement and the business cases for the proposed research projects shall be filed with the Commission within 120 days of the adoption of D.12-12-031.

Pursuant to Rule 16.6, the Joint Utilities "must promptly inform all parties to the proceeding of the extension and must state in the opening paragraph of the document that the Executive Director has authorized the extension."

Sincerely,

A handwritten signature in cursive script that reads "Paul Clanon".
