Hi Erik. DRA is in the process of hiring a new Program Manager as it is my now vacant position that oversaw Resource Adequacy. Linda Serizawa is the Deputy Director over Energy. If you cannot talk to her, or maybe instead of, Chloe Lukins is the supervisor for the team working on RA.

Cynthia, Who is the Branch Manager in DRA who would have responsibility for Resource Adequacy and the centralized capacity market issue? I want to schedule a meeting with DRA in advance of the CAISO/CPUC Resource Adequacy Summit on February 26th to discuss PG&E's point of view. I reached out to Joe Como, but he has not yet got back to me. Erik

Erik,

Thanks for the invitation and for reaching out. I have been thinking that I need to connect with the utilities and establish a list of “go to” people that is consistent with my new position. February 8<sup>th</sup> or 15<sup>th</sup> work for me.

Cynthia,

We hope you had a good holiday and are now enjoying your new job in Energy Division. Congratulations on that! Laura and I were wondering if the three of us could get together again for lunch like we did last year. Feb 4, 8 or 15 look like good days for us. Would any of those days work for you? We'd love to catch up and have a chat.

Erik
