Subject: RE: PG&E-CPUC LMEC Advice Letter Discussion with ED Director Edward Randolph

Thanks Cem for arranging tomorrow's meeting with Edward Randolph. Please note that Erik Jacobson, Marino Monardi, [Redacted] and Ray Williams from PG&E will be attending. I've asked them to arrive to the CPUC lobby shortly before 2:00pm in order to register at security. While we appreciate you providing a conference call option, please note that no other PG&E representative will be phoning in to participate in this meeting.

Please let me know if you have any questions. Thank you.

Regards,

Hi, Tom,

The Energy Division Director Edward Randolph would like to invite PG&E to have a

conversation regarding PG&E's Advice Letter 4074-E (Los Medanos Energy Center). Given the controversial nature of the LMEC advice letter, Mr. Randolph will be asking some questions as to determine the need and the eligibility of the LMEC facility within the QF/CHP Settlement.

I have reserved a room and a call in line to allow PG&E the flexibility to choose between coming in in person or calling in to discuss the LMEC Advice Letter. Please let me know if PG&E will be calling in or will be coming to the CPUC in person.

If you would like to call in please use the following number and password:
