Subject: I.12-10-013 SONGS OII - SDG&E Webpage

To: I.12-10-013 Service List

At the Prehearing Conference held on January 8, 2013, SCE discussed (Transcript pp. 13 – 14) establishing a web page to make available such documents as data request responses, testimony, and certain documents submitted to the Nuclear Regulatory Commission (NRC). ALJ Darling expressed a preference for this web page to be made available to the general public as well as active parties in I.12-10-013. SDG&E agreed to provide a similar web page.

This web page has been established and can be accessed through the link below. The web page has a menu on the middle of the page that lists the major categories of documents – including the OII Decision (I.12-10-013), the Outage Memorandum Account reports ordered when the OII was issued on November 1, 2012, ALJ Rulings, testimony and discovery.

We intend to include only the SDG&E testimony, pleadings and monthly reports. The discovery section will be comprised of SDG&E's responses to other parties' discovery sorted by party, data request set and by date. The entire web page will house only public versions of documents.
