Hi Karen,

Ancient history, but I have two follow-up questions: (1) Are the 2003 – 2011 kWh figures confidential? And (2) for purposes of the Padilla report, did PG&E provide the “actual/metered” generation or the “scheduled/paid” generation?

Thanks in advance for your assistance,

- [REDACTED] With respect to Joint IOU Cost Quantification Table 2, please provide the kWh associated with each of the project categories for the years 2018 – 2020 for both the executed but not approved and the approved contracts.
