**GEXA ENERGY CALIFORNIA, LLC's
2011 Preliminary
Annual 33% RPS Compliance Report**

Pursuant to Public Utilities Code Section 399.13(a)(3), Gexa Energy California, LLC (“Gexa California”) provides the following narrative information with its 2011 Preliminary Annual 33% RPS Compliance Report:

1. The status of any necessary siting and permitting approval from federal, state, and local agencies for those eligible renewable energy resources procured by the retail seller that have not yet attained their commercial on-line dates.

Response: None

2. Identification of all procurement from eligible renewable energy resources located outside California and within the WECC during the period covered by the report.

Response:

Gexa California has procured from the following source located outside of California and within the WECC during the period covered by this report:

Vansycle II Wind Energy Center, Athena, OR
Category 1 – approximately 37,255 RECs
Category 2 – approximately 18,224 RECs

3. Identification of all procurement of unbundled renewable energy credits (RECs) during the period covered by the report.

Response:

Gexa California has executed contracts to procure unbundled RECs from:

Vansycle II via NextEra Energy Power Marketing, LLC

Category 3 – approximately 18,063 RECs

4. Recommendations to remove impediments to making progress toward achieving the renewable energy resources procurement requirements established by statute and implemented by Commission decision.

Response: None
