Subject: Fwd: Meeting request to meet with Matthew Tisdale on LTPP PD

Hi Erik. I got your meeting request, but declined it. I am swamped for the next two weeks with personal travel and meetings. It was going to be hard to find a time to schedule a meeting.

We did read your comments and understand PG&E's perspective as stated there in. If there are overtones that you need me to be aware of, we could have a short phone call tomorrow or next Friday. Let me know.

We plan to change nothing about cost allocation in this decision, which should be good news for your customers.

Sorry to not be as available as I'd like.

Matthew
