Subject: Document request

Hi Brian,

Jaxon Van Derbeken from the San Francisco Chronicle is asking for the attached CPUC Incident Investigation Report. Typically these documents can only be released by a vote of the Commissioners. These documents can also be released without a vote if PG&E approves. I'm contacting you to see if you can give me that approval. Absent it, if Resolution L-436 is approved at Thursday's Voting Meeting, we will be able to release this document that day.

Do you have any problems with us releasing the document today?

Thanks!

Terrie
