Thank you. And, whoops, I assume you realize that in my original note below I meant next Wednesday's Voting Meeting, not Thursday.

Given how we still have no answer I suspect the answer is no. My personal feeling is that he can wait like everyone else. Will let you know when I hear.

These documents can also be released without a vote if PG&E approves. I'm contacting you to see if you can give me that approval. Absent it, if Resolution L-436 is approved at Thursday's Voting Meeting, we will be able to release this document that day.
