Matthew - I will turn this over to Sid for follow up internally.

Sid - see if we can get Matt the information sooner rather than later.

Hi Brian,

I have a (yet to be focused) question for PG&E. Hopefully you can help me focus the question and then work with you team to get me a bit of data.

We understand that some of your large customers are currently on CPP. Which customers are those (customer class)? How many of them are there? Do they have an "opt out" option and if so, what percentage of them have elected to exercise that option? What rate structure do they shift to if they opt out of CPP?

Thank you,

Matthew
