Always available to talk to you all. I have to admit, that I have not yet read the briefs yet, so I am not as up to speed as I would like. Can I have you please coordinate with our scheduler, Josie Emelo, to find a good time. She's CC'd on the note.

Michael - do you have any time next week to sit down with Stephen and I and a Fresno consultant to chat about the ED application? The Fresno consultant would update us on what has happened with business development in the City since we filed the application. Let me know. Tuesday and Wednesday afternoon look best for me.
