General

I apologize -- I got tied up with a family issue this evening and was not able to get back to you at a reasonable hour. I did speak with Tom Bottorff.  
I need to connect with you in the morning. Is there a good time to reach you?

Laura

PS. Kent Kauss (our OGA equivalent) tried to reach Lynn Sadler this afternoon and he left a voicemail. He wanted to provide more detail about our position, but it is as I told you. We support stronger enforcement and our preference is that it be done by the cpuc. We hope legislation will be proposed to support that.
