General Hagan

I recall that you had some more travel commitments coming up, so I'm writing to ask about your availability for two important meetings we'd like to have with you:

1. ROW/Encroachment: Tom would like to present some data about past expenditures as part of the penalty discussion. We also have made some revisions to the compliance plan after comments from Julie at our last meeting. Our package is complete. Any chance you're available this week or next?
2. Remedies discussion: After next week, Tom would like time with you to go over the list with updated details and status of actions underway.

Let me know your availability – and thanks.

Laura
