It's horrible.

Do I seem terse? Blame the thumb keyboard.

Dearest Friends and colleagues:

As many of you know, our beautiful daughter Lauren passed away suddenly and quite unexpectedly on January 30th while attending

University in Montreal. Jane and I have secured a venue and date for Lauren's memorial service. The service will be held at The Gardens at Heather Farm, 1540 Marchbanks Drive in Walnut Creek on the afternoon of Friday March 15th at 2:00 pm.

These past weeks have been a living nightmare. Jane, Lindsey and I are still reeling in utter shock and disbelief that our beautiful Lauren is gone. We are adrift in a sea of anguish and despair however we have found some refuge on a small island of hope. The overwhelming outpouring of support and encouragement from so many of our friends and colleagues has been our only solace. It has been nearly one month since our hearts were irreparably broken. Time seems to fly by yet stand still at the same time. We have begun to put the pieces back together and begin the healing process through therapy, encouragement and support of family, friends and colleagues. Lauren's Memorial service is but another small step in the healing process where we can all get together and celebrate this magnificent young woman.

If you are able, you are welcome to join us on the 15th to celebrate an all too short but well lived life.

With much love and adoration, I am humbly yours,

Mikie
