Hi Brian -

Not a high priority but wanted to let you know,

1) we are working with the Stewardship Council to set up a tour of the Yuba-Bear River watershed lands on June 13-14. They will be contacting you guys to loop you in; and

2) We would like to tour Helms - probably August-September timeframe. I have contact info. For the plant manager - but is there someone else at PG&E I should work with to set this up? (No rush on this.)

Thanks,

Charlyn
