2/21 anytime between 9-11 works for PG&E. 4-5 doesn't work.

Thanks,  
Meredith

Hi Jason, just to throw out some options—how about Thursday, Feb 21, sometime between 9-11 am or 4-5 pm?

Hi All,

Could we set up a conference call or meeting sometime the week of 2/18 to begin a discussion about the utilities' outreach and education plans for 2013, as well as the process to select a consultant to evaluate outreach/education programs for 2014/2015? Our schedules are mostly open, so feel free to suggest a few times that work for your teams.

Thanks,  
Jason
