

**BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF CALIFORNIA**

NOTICE OF AVAILABILITY

An advice letter filing for a **Purchase and Sale Agreement for Renewable Energy Credits Between Golden State Water Company and Iberdrola Renewables, LLC** ("Advice Letter") has been filed with the California Public Utilities Commission.

The Advice Letter includes a request for approval of a renewable energy credit contract ("Agreement") between Golden State Water Company (on behalf of its Bear Valley Electric Service division) and Iberdrola Renewables, LLC ("Iberdrola"). The subject product is Firm Standard unbundled Renewable Energy Credits ("RECs") sourced by Iberdrola from CEC-approved RPS facilities. The proposed Agreement is for the purchase by Golden State Water Company ("GSWC") of up to 581,983 RECs over a ten year term from Iberdrola. If the Agreement is approved by the Commission, GSWC is also seeking authority to book all payments under Confirmation Nos. 1 and 2 to Iberdrola into Bear Valley Electric Service's Purchased Power Adjustment Clause for recovery in rates.

If anyone receiving this Notice of Availability wishes to receive a copy of the Advice Letter, please contact Ronald Moore at rkmoore@gswater.com or call (909) 394-3600 or send a written request to him at Golden State Water Company, 630 East Foothill Boulevard, San Dimas, California 91773.
