Erik,

You have my other e-mail on meeting with Ed. I don't have much availability next week, but could do a quick call with David if he has something urgent.

Thanks,

Liza

Subject: Meeting next week on CES-21

Liza,

Thanks for trying to get back to me yesterday about CES-21. I'd like to schedule a meeting with you next week to discuss our preliminary research proposals and the workshop that we are planning to notice next week for February 20th. Are you and your staff available sometime on Friday, 2/8? I will bring one of two folks from LLNL and David Bayless with me. We need to send out the workshop notice soon and we should probably discuss that by phone before Friday of next week. I also need to follow-up further with Ed Randolph about the workshop and what role he may want to play.

I've got some availability tomorrow from 11-12 to chat if that works for you.

Erik
