Hey Erik-

Thanks! I'm looking forward to getting some exposure to some new issues and new experience. I've enjoyed working with you as well.

See you at the En Banc next week?

Damon,

Congratulations on your move to Energy Division. It sounds like a good move and it should be an interesting job. I've enjoyed working with you in President Peevey's office and I'm sure we will have plenty of opportunities to work together in your new role.

Best of luck. When do you start?

Erik
