Subject: Re: CES-21: Upcoming Board Meetings (planning)

Jeff

If we could have the meeting after 11 on either day, I could fly in the morning and back out the same day

Thx

Jane

I'm available that week on M, Tu and F.

Doug Kim and I will both be at the Greentech Media smartgrid conference in Westlake on W and Th. If those days (and the Westlake location) work for others, perhaps we could carve out time at that conference for a board meeting.

Jeff

CES-21 Board of Directors:

Thank you for your schedule availability for the upcoming CES-21 Board meetings in March and April. At this time, please hold April 11 on your calendars as that date appears to work the best for most Board members. We will follow-up with a more detailed schedule for this meeting at a later date.

Unfortunately, there does not appear to be a good date for the Board meeting the week of March 11. Therefore, please provide me with your availability the week of March 18 in table below.

	March 18	March 19	March 20	March 21	March 2

Subject: CES-21: Upcoming Board Meetings (planning)

CES-21 Board of Directors:

In follow-up to the CES-21 Workshop held on February 20, we would like to hold two Board of Director meetings between now and April 19 (the date we will file the CES-21 Implementation Plan and Year 1 projects at the CPUC). We are targeting March 11-15 (via teleconference) and April 11-17 (in person, at LLNL). The approximate length of these meetings will be approximately 2-3 hours.

The purpose of the mid-March Board meeting is to:

- Appoint the Board Chair
- Approve the CRADA, By-laws, and Executive Director
- Provide guidance on revised research projects and CPUC advice letter

The purpose of the mid-April Board meeting is to:

- Approve the Year 1 research projects and CPUC advice letter

In order to schedule these two Board meetings, please provide your availability in the table below.

	March 11	March 12	March 13	March 14	March 15
