Subject: Moving on from Smart Grid

Hi,

Just want to let you know that my role at the CPUC has changed. Starting this week, I'm taking over as a Deputy Director of the Safety and Enforcement Division. I've worked on Smart Grid for a good 5 years now and I'm definitely going to miss it, but I have comfort that I leave the work in the capable hands of Arthur O'Donnell who has stepped up to take over my old role. For those of you who don't know Arthur, I recommend that you reach out to him and get to know him.

I look forward to crossing paths with all of you in my new capacity. I believe that advanced technologies and innovation need to be an integral part of how we address safety and reliability and look forward to figuring out new ways to make that happen.

All the best,

Liza

---

**Elizaveta Malashenko**

Acting Deputy Director

Office of Utility Safety and Reliability

Safety and Enforcement Division

California Public Utilities Commission
