Eugene,

Thanks for your voicemail yesterday. When the CDs are ready, please put a copy in PG&E's inbox at the Commission. The box is located near the Guard's desk (on the right, outside the docket office). We check that PG&E box every weekday at 3:45 PM.

You can put my name on the CD envelope, and I will make sure it gets to Niel, Todd, etc. here at PG&E.

Thanks.

Shilpa,

I should have the CDs with the models available tomorrow (2/12) and will call you when they are ready. I also plan to provide DRA with a set of the CDs as well. This was same procedure that was done with regard to the models supporting the tables in the Proposed Decision.

Shilpa,

The model run hasn't been released yet. I anticipate it will be out early next week.

Eugene,

Just checking on this request, I'm not sure if we've received the model run? [Red] correct me if I'm wrong.

Thanks  
Shilpa

Eugene,

We're getting a lot of questions internally about PSEP and we need the workpapers behind the final decision to answer them. I understand that you've just got to send us a CD of the final model run used for the decision.

Can you do that this week? One of the folks on my staff ([Redacted]) may have also asked you, but she just went on maternity leave yesterday.

We have a couple of folks going to the CPUC tomorrow. I can have someone pick it up.

Thanks.
