Subject: RE: CPUC Safety Symposium: next steps, contacts

Jane and Committe Members,

Attached are 3 proposed panelists for the public safety panel and proposed topics for discussion at Friday's teleconference. I have not contacted anyone until the committee reviews the proposal as there may be other suggested candidates instead. One of the proposed panelists is Tim Butters, now Deputy Administrator at PHMSA - he has extensive eperience in public safety prior to PHMSA. These individuals are suggested for consideration, other suggested panelists are welcome.

Thanks, Bob
