AES SOUTHLAND, LLC'S NOTICE OF EX PARTE COMMUNICATIONS

Pursuant to Rule 8.4 of the California Public Utility Commission's ("Commission") Rules of Practice and Procedure, AES Southland, LLC ("AES Southland") hereby gives notice of the ex parte communication described below.

On Thursday, February 7, 2013, at approximately 11:00 a.m., Julie Gill, Director of Regulatory Affairs for AES; Kimberly Hellwig, Energy & Environmental Policies Specialist with Stoel Rives LLP; and Seth Hilton, attorney with Stoel Rives LLP and counsel for AES Southland, met with Julie Fitch and Rachael Peterson, advisors to Commissioner Peterman, at the Commission's office located at 505 Van Ness Avenue, Room 5209, in San Francisco, California, 94102.

The meeting was requested by AES Southland. The meeting lasted approximately 30 minutes, ending at approximately 11:30 a.m. The meeting concerned the Proposed Decision Authorizing Long-Term Procurement for Local Capacity Requirements issued December 21, 2012 (Rulemaking 12-03-014). AES Southland explained its position that the procurement authority that the Proposed Decision would grant to Southern California Edison for the Los Angeles Basin Local Capacity Area was insufficient. AES Southland also expressed its concern regarding the impact to ratepayers should South Coast Air

Quality Management District adopt Proposed Rule 1304.1. The communications were oral. No written materials were distributed.
