Great. See you there at 11:45. My cell is Redacted if you get jammed up. Looking forward to it!

How about outside at 77 Beale at what we affectionately call "the waterfall" – dry now, and for many years . . .

It's the big space between the old building (the one that faces Market) and the new one that faces Beale.

Well let's split the difference and say 11:45. Perhaps we'll start with lunch and then come back to my office.

I'm flexible on Wednesday so 11:30 is fine with me. Could also start at noon that's better for you?
