General –

I left a voice message for Aaron and then realized there's a chance he could be out today. We need to reschedule the meeting with Tom Bottorff that had been set for tomorrow morning. I apologize for the last minute change.

We're hoping to find a time this Friday or any time next week. I'm sure Aaron will get back to me soon, but I also wanted to let you know about the need to change tomorrow's change plans.

Thanks

Laura
