Subject: R.12-03-014, Energy Div. data request #3 to PG&E re: Request Window documents
Hello Red

Thanks again for sending CPUC Staff certain Request Window documents and the list of such documents.

Here is a data request to PG&E:

Please provide electronic copies of PG&E's Request Window documents submitted to CAISO for the 2012-2013 Transmission Plan process for the following three projects:

Placer 115/60 kV Transformer Replacement and SPS Project
DCPP Voltage Support Project
Gregg-Herndon #2 230 kV Line Circuit Breaker Upgrade

Please provide responses by e-mail (no hardcopy requested) by Friday, Feb. 15, 2013. I hope the quick turnaround is not a problem, and partial delivery is better than waiting for all to be gathered. If you have any questions, or if the deadline is a problem, please do not hesitate to call or write. (Please be aware of an approximate 10 MB limit on an individual email for the CPUC's network.)

Sincerely,

Bill
