Liza,

Here's a draft of the CES-21 workshop/Board meeting notice that we are planning to send out later this week (as early as tomorrow, if possible). Due to scheduling conflicts, we may only have 4 out of the 6 Board members in attendance. But this is a quorum so I don't think that poses an issue in regards to OP 14 of the CES-21 Decision (12-12-031). Please let me know if you have any questions or comments on it.

Can you make sure that this workshop/Board meeting gets on Ed's calendar?

Thanks,
