**Re: Draft Resolution E-4550
February 28 Commission Meeting**

Dear Mr. Randolph:

Southern California Gas Company and San Diego Gas & Electric Company are in receipt of Draft Resolution E-4550 and the cover letter, dated January 25, 2013. The cover letter indicates that the Draft Resolution will be considered by the Commission at the February 28, 2013 business meeting and authorizes parties to submit comments of up to five pages in length on the Draft Resolution by February 14, 2013.

SoCalGas and SDG&E request permission to submit comments of up to 20 pages in length and further request a 30-day extension of time to review the Draft Resolution. Providing the parties with additional time and pages for comment will help the Commission to develop a more robust record for the Draft Resolution in order to fully consider the policy and legal implications presented.

Respectfully submitted,

By: /s/ Deana Michelle Ng
