Audrey,

Attached is the draft workshop presentation document. It includes the agenda. It will undergo some further editing tomorrow, but is close to what we will use on Wednesday. I'm also including an Excel file which summarizes the overall portfolio. Finally, I've attached a list of Board members with some biographical information. These are the documents we discussed last week.

Will you be able to attend the workshop? Let me know if you need any additional information or have comments on the short list of research project proposals.

Best regards,

Erik

Hi Erik,

Would you mind sending me the agenda and other documents we discussed in the meeting last week? Sorry I couldn't join you in person for the meeting.

Thanks,

Audrey
