Subject: Safety Symposium

Jack –

Laura delivered your note to me reporting that you had nailed down the details of the Safety Symposium for 7 – 8 May. I am in a real bind. I do not want to miss the sessions but I have a longstanding commitment to be at meetings out of town on those dates. I have no ability to change the meetings. I also understand that you want to meet with CEO's as part of the conference. If there is any way that the CEO meeting could be held on the evening of 6 May, I would be extremely grateful. I could then catch the red eye after the meeting. If that would work, my office would be happy to make all of the arrangements for a private dinner meeting.

Please don't hesitate to call if I can help to make this change happen.

Best regards,

Tony
