Thanks Kim -- I spoke with Gen Hagan earlier today and he agreed to consider hotels closer to SFO. We are checking availability now. The Hyatts are non-union. And the SFO vicinity places will be cheaper and perhaps easier for industry people flying in.

So stay tuned ... :)

Two things – Jack says he wants to use the Hyatt at Embarcadero. You may have already spoken to him about this by now. Also, there may be some complications with how we market this based on a court action I just heard about – I need to make sure Paul Clanon is comfortable with whatever way we proceed. I will see if I can track him down now.

Subject: CPUC Safety Symposium Update -- action/next steps

Hello team, Here is the latest update/work in progress for the May 7-8 Symposium.

- [REDACTED] Venue is being finalized (Grand Hyatt San Francisco)
- [REDACTED] Draft agenda with speakers attached (tab 2) – thank you for your comments; we need to fill in the blanks, get confirmation from some speakers on availability. I have made assignments to you for some of these confirmations (pls let me know if you need assistance)
- [REDACTED] Draft invitee lists attached --- pls review since the CPUC will send invitations to hold the date as early as this week

- Other logistics (costs, etc...) are being worked out after we have the estimates

We have our weekly call scheduled for this Friday, and will be joined by Kim Malcolm and Liza Malashenko, who work for General Hagan, and will be taking the lead. Pls let me know if you have questions in the meantime.

Thanks,

Jane
